- All registered floats must designate a minimum of two adult volunteers as safety walkers (in addition to handout walkers) If possible, have these volunteers wear colours that stand out or clothing that has your organization branding so they can be seen. - Marshaling streets are first come first served (see map for details) Do not block driveways or intersections . Clean up any mess left behind and be respectful to residents.
- **All floats must keep pace** with the float ahead to lessen the gaps – no slowing or stopping otherwise. The lead car will stop periodically to allow the rest of the parade to catch up.
